

**Highland School District #203
Special Board Meeting
Highland School District Office
Monday, March 8, 2017 – 7:00 a.m.**

The **March 8, 2017 Special Board Meeting** was called to order by Chair Nikki Keller at 7:10 a.m. Others present included Board Members Matt Barker, Chris Garent and Lupita Flores; Superintendent Mark Anderson, Director of Business and Operations Francis Badu, and Recording Secretary Julie Notman. Board Member David Barnes was unable to attend.

Mark started the **CTE Bid Discussion** by informing the Board that two bids were received, both close in price, and were substantially higher than anticipated: above the limit set by the board and the budget. Discussion followed about possible reasons the bids were higher than expected and options for how to proceed. Francis shared a Capital Projects Budget page and explained the figures to the board. After further discussion, Matt moved with 2nd by Chris to reject both bids, rework the specifications of the project, and reopen for new bids in as short a timeframe as possible; motion passed.

There being no further business, Nikki adjourned the March 8, 2017 Special Board Meeting at 8:08 a.m.
