

Highland School District #203
Work Study Meeting
September 2, 2014, 7:00 a.m.

Board Chair Nikki Keller convened the Board Work Study Meeting at 7:05 a.m. Others present were Board Members Becky Laughery, Chris Garent, Matt Barker and David Barnes; Superintendent Mark Anderson and Recording Secretary Francis Badu.

Highland Junior High Principal Kelly Thorson gave his recommendation on the proposed **ASB** policy on student incentives. The Board followed with a discussion and agreed to move ahead with the policy but with a provision that the incentives be limited to the General Fund building budgets and ASB Fund.

Kelly presented the *1st Reading of Revised Policy & Procedure 2020 Curriculum Development and Adoption of Instruction Materials*. After some discussion, the Board will have a 2nd reading at the next work study session.

Superintendent Mark Anderson presented to the Board, steps on how to take the online **Public Record Board Training**. After some discussion it was decided they will be viewing the **PowerPoint** option during the next regular board meeting.

Francis shared with the Board an updated facilities budget and also a bond versus levy tax rate comparison. The Board reviewed the comparison and followed with several questions. Francis also provided an update on the pending Study and Survey. After a lengthy discussion the Board also agreed to use the services of ESD 112 to assist in costing some of the facility projects under consideration.

Mark updated the Board on legal issues.

The Board Work Study was adjourned at 10:15 a.m.
