Parents,

If you are a parent of a student that attends a Highland School District school and a First Responder or medical services provider please send an email to Julie Notman at jnotman@highland.wednet.edu with the following information:

1-Position/Title:
2-Employer:
3-Photo of credentials:
4-How many children need childcare and their ages:
5-Your schedule: when would you need care:
6-Your contact information: Name, email, phone number:

Please note: This is an evolving situation and many factors have not yet been determined including what medical field employees may qualify for childcare assistance, where that might be held and by whom.

We ask for your patience as we sort out the details and obtain guidance from state agencies. Please check the district website as updated information will be posted there as soon as it becomes available.

If you have any questions, please do not hesitate to reach out.
