

Are you a multilingual teen looking to make some money? We've got the job for you! PikaDo is an educational technology platform that uses peer-to-peer learning to help kids around the world learn English. PikaDo is currently looking to hire multilingual teens with a fluency in English to be a tutor. As a PikaDo tutor, you will:

Be paid per tutoring hour, which will be transferred to your bank or PayPal account

Receive special training on the PikaDo curriculum and teaching methods

Have flexible teaching time

Use the PikaDo curriculum for sessions, focusing on listening and speaking

If you're interested in learning more and applying, please grab a tab and contact us!
