

QUALIFICATION OF ATTENDANCE AND PLACEMENT

Entrance Qualifications

1. Prospective kindergarten students seeking early entrance must have a birthdate within the seven (7) calendar days of the first day of school scheduled for the district.

2. As a minimum, eligibility for the exemption may be based upon an analysis of the child's
 - a) General cognitive/conceptual skills
 - b) Fine and gross motor skills
 - c) Language skills (in home language)
 - d) Pre-academic skills
 - e) Emotional/social skills

Where feasible, assessment devices shall be used that shall permit students who are to be considered for exemption to be compared to the level of performance that would be expected of children with a chronological age of 5 years and 6 months for kindergarten and 6 years and 6 months for first grade in each of the areas of ability.
